

TAHMOOR SOCCER CLUB
MINUTES OF COACH & MANAGER'S MEETING
2 June 2010

Held at: Tahmoor Inn
Meeting opened: 7.00pm

1.	Games this Weekend	Last weekend's games have all been moved forward one week. Having said that, more rain is forecast. If it affects another week's games the draw may be looked at, so watch this space.
2.	Ground Open or Closed?	Asked whether the website can show when the grounds is closed. Good in theory, however the problem is that the web manager cannot access the website during the workday, by which time the coaches/managers would have received a text. As occurred on Thursday, the club requested teams not train. The main intention was to preserve the goal-mouth area of the fields. Feedback was given, asking that the club give clear instructions re ground being opened or closed, which can cause some confusion.
3.	Coach/Manager and General Meetings	Now at Tahmoor Inn on the 1st Tuesday of the month now. We were unable to get the 2 nd Wednesday as the room is taken with the big "pasta" night. For those teams who are training on Tuesday nights, it is requested that at least the Manager will attend. This meeting is the only one that will take place BEFORE the Macarthur meeting (which is next week).
4.	Optus Small Sided Games packs	We have been notified that there will be packs sent out for U6 and U7, and Coach's bibs. It was indicated that they would be coming out earlier in the season than last year (which was Gala Day), but as yet have not heard anything from Macarthur.
5.	ID Cards	Juniors and Seniors. Macarthur has sent out an email saying that refs are not going to start games until they see the Managers from each team checking IDs (see email forwarded today). There has always a policy to check the other team's ID cards, although most teams haven't bothered. This becomes an issue when you have concerns about a particular player that is suspected of not being a true member of the team. If the IDs are not checked before the game, the opposition teams cannot be forced to show these cards after the game has commenced.
6.	Photos	Photo Day was planned for 19 June – a day when all teams are playing at home. With the rescheduling of the games, this day is also being pushed back. Waiting to see what happens with the draw (as above).
7.	SydneyFC V Rams	(Tuesday) 22 nd June. SydneyFC V Rams. Email was sent out to particular age-group coaches/managers re kids to run out with players. Nothing has come back. Included was a request for kids for a March Past "ie march around the field before the game. No-one has come back yet.
8.	Coaching Courses	More training coming through Macarthur soon. Carolan will send out information when she receives it.
9.	Tipping Comp	Carolan has a World Cup Tipping Competition spreadsheet. If you are interested, please contact Carolan.
10.	Managers/Coaches needed to complete paperwork for Macarthur	The Managers of the following teams need to complete Macarthur paperwork ASAP. U6Green, U6 Red and U6 White. The coach for U6 Red also needs to fill out the paperwork ASAP. Please see a committee member this weekend.

TAHMOOR SOCCER CLUB
MINUTES OF COACH & MANAGER'S MEETING
2 June 2010

11.	Duty Day	<p>At this stage, the Duty Day roster has been pushed back 1 week, along with the games of the round.</p> <p>Depending on what happens with rain this weekend and any draw changes, further information cannot be guaranteed, so for the moment Kaylene will contact the affected teams on a week-to-week basis.</p>
12.	Pre Season Cup	<p>All we have is that the finals will be on the June Long Weekend, no further details have been provided, although Macarthur said it would come through last week. Carolan will be following up with Macarthur.</p>
13.	Hoodies/Jackets/	<p>Pat needs to place an order ASAP for hoodies and jackets. This will be done next week, so please ask your parents whether they/the children want one and contact Pat by email or phone (see website) by the end of this weekend (ie by 6 June) to order, or if needed, to try on for sizing.</p>

Meeting Closed: 7.21pm
