

TAHMOOR SOCCER CLUB
MINUTES OF COACH & MANAGER'S MEETING
6 July 2010

Held at: Tahmoor Inn
Meeting opened: 7.05pm

1.	Coaching Course	Tony Tipper attended the coaching course at Macarthur and is happy to provide the course materials (DVD and booklet) to the club.
2.	Junior Licence	There is a junior licence course coming up at Macarthur – 3 day course running all day Sunday (9am-5pm) and Monday/Wednesday 6pm-9pm. Runs 18-21 July. If anyone interested, let Richard know ASAP.
3.	Events	There were some issues over the weekend. Some at our ground, others elsewhere, including spectators abusing refs, each other, etc. Macarthur has notified the clubs that they will be cracking down. Reminder that Team Official vests must be worn and Team Officials are responsible for keeping their own spectators under control. Coaches must wear their blue vests (minis).
4.	Survey	Survey sent out to see what people/players want to do for their presentation day. Please return ASAP to Carolan (Secretary). We are happy to have them from individuals or a collated response from the teams. The sooner we can get them in, the sooner presentation day can be organised.
5.	Draw changes	Keep an eye on the draw as changes keep happening.
6.	Forfeits	Please let Carolan know ASAP if you know a game can't go ahead. Best if she can get 36 hours notice to avoid fines.
7.	Final series	Questions are being asked of what would be happening about finals for junior/seniors teams. As for last year, the top 4 teams go into the finals.
8.	Gala Day for Minis	U6-U8 Gala Day we believe will be the 7 th August, but stay tuned. The U9s will be having something different, yet to be confirmed.
9.	Rego Cards	Again, please check rego cards of the opposition before games. There are legal implications if details are wrong.
10.	Hoodies	Order is in and will send an email out when they come in, probably in the next 2 weeks.
11.	Photos	3-4 week turn-around. We will get them out when we can.
12.	Presents for Coaches	Hoodies/jackets are being ordered. The suggestion is that team members think of it now if the teams want jackets for their coaches.
13.	Council News	Will be starting on brick storage, and parking will be limited to clear the space – trees coming down, etc. Top parking may be able to be opened. Please keep kids out of construction area (in 2 weeks).
14.	Canteen Duty	Please be aware of when your duty day is on. The big weekends are extremely busy but well worth it from a profit perspective. Coaches/Managers please ensure your parents know what is happening around them – watch out for the big games playing on either side of the small fields.
15.	Rams Games	Question about whether the practice of kids playing at half time is still happening. Feedback is that to our knowledge this is not happening.

Meeting Closed: 7.33pm
